

A Neoclassical gold pendant set with a large agate cameo. Bust of a philosopher.

Circa: 19th century

Cameo: 2.8 x 1.7 cm (1 $\frac{1}{8}$ x 0 $\frac{5}{8}$ inches)

Mounting: Total weight 13 gr

19th century

The character is depicted slightly in three-quarters, with mature features, a full beard and a band that holds his hair in the ancient Greek manner. Probably a philosopher or a leader.

The cameo is mounted in an elegant openworked gold pendant.
